CONDITIONS OF CARRIAGE FOR PASSENGERS AND BAGGAGE

PREAMBLE

These Conditions of Carriage govern the relationship between you as a Passenger and us as the Carrier regarding your Carriage on an aircraft operated by us or pursuant to a Ticket on which our Airline Designator Code appears for that flight or flight segment. Your rights and duties towards us and vice versa in this matter are outlined in the Conditions of Carriage. We advise you to read the Conditions of Carriage carefully as, among other things, they set out various limitations that affect you, for instance concerning our limits of liability towards you in case of Damage and delay affecting you and/or your Baggage. If our limits of liability are not satisfactory in relation to your needs, we advise you to obtain personal travel insurance.

These Conditions of Carriage may be amended without prior notice. The version in effect at any given time is the version most recently published, and this can be downloaded from our web site www.cimber.dk at any time.

ARTICLE 2: APPLICABILITY

2.1 General

Except as provided in Articles 2.2, 2.4, 2.5 and 3.1.2, our Conditions of Carriage apply only to flights or flight segments operated by us and/or, where our name or Airline Designator Code is indicated in the carrier box of the Ticket for that flight or flight segment.

Outside Europe EU reg. 261-2004 regarding assistance to passengers in the event of denied boarding, cancellations and long delay of flights might not apply. If you are travelling outside Europe on flights not operated by us be aware that you might not be entitled to assistance from us, or the operating airline in situations where your flight is cancelled, delayed, you are denied boarding or downgraded. In these situations your rights will be governed by the local legislation applicable to the flight in question.

These conditions do not apply to Carriage by air if such Carriage is part of a travel arrangement as defined in Council Directive (90/314/EEC) of 13 June 1990 on package travel, package holidays and package tours.

2.2 Charter Operations

If Carriage is performed pursuant to a charter agreement, these Conditions of Carriage apply only to the extent that they are incorporated by reference or otherwise in the charter agreement or the Ticket.

2.3 Code Shares

On some services we have arrangements with other Carriers known as "Code Shares". This means that even if you have a reservation with us and hold a Ticket in which our name or Airline Designator Code is indicated as the Carrier, another Carrier may operate the aircraft. If such arrangements apply, we or our Authorised Agents will advise you of the Carrier operating the aircraft at the time you make a reservation. Your contract party is the marketing Carrier, i.e. the Carrier whose Airline Designator Code appears on the Flight Coupon or routing slip next to the flight number. Notwithstanding the above, in the event of Code Sharing, all claims related to compensation and assistance in the event of denied boarding, cancellation or long delays must be submitted to the operating carrier.

2.4 Overriding Law

If these Conditions of Carriage are inconsistent with our Tariffs or applicable law that cannot be waived by agreement of the parties, such Tariffs or laws will apply.

If any provision of these Conditions of Carriage is invalid under any applicable law, the other provisions will nevertheless remain valid.

2.5 Conditions Prevail over Regulations

Except as provided in these Conditions of Carriage, in the event of inconsistency between these Conditions of Carriage and any other regulations we may have dealing with particular subjects, these Conditions of Carriage will apply.

ARTICLE 3: TICKETS

3.1 General

3.1.1 The Ticket constitutes conclusive evidence of the contract of Carriage between us and the Passenger named in the Ticket. We will provide Carriage only to the Passenger named in the Ticket, and you may be required to produce appropriate identification.

3.1.2 A flexible ticket bought for personal use, i.e. for anything other than trade, business or professional purposes, is transferable in its entirety (but not in part) provided; - please see our ticket conditions at www.cimber.com

- that you contact us and request that we transfer your Ticket at least 24 hours before the scheduled departure time shown on the first flight coupon of the Ticket,

- that we are the operating Carrier of all the flights or flight segments in the Ticket, and

- that the person to whom the Ticket is to be transferred satisfies and complies with all the conditions applying to the original Ticket.

When you give us your Ticket, we will issue a new Ticket in the name of the person to whom the Ticket is to be transferred. The new Ticket will be subject to the same terms and conditions as those of the replaced Ticket. You will be charged an administration fee for the Ticket transfer.

Except as provided above, Tickets are not transferable.

3.1.3 Some Tickets are sold at discounted fares, which may be partially or completely non-refundable. You should choose the fare best suited to your needs. You may also wish to ensure that you have appropriate insurance to cover instances where you might have to cancel your Ticket.

3.1.4(a) If you have a Ticket, as described in Article 3.1.3 above, and you are prevented from travelling due to Force Majeure, provided that you promptly advise us and provide evidence of such Force Majeure, we will, at our discretion, either make a refund within a reasonable time or provide you with a credit of the non-refundable part of the fare for future travel with us. In both circumstances, an administration fee will be charged.

3.1.4(b) If you have a Ticket, as described in Article 3.1.3 above, and you are delayed for your scheduled flight due to Force Majeure, provided that you promptly advise us and provide evidence of such Force Majeure, we will carry you at the earliest opportunity on another of our scheduled services on which space is available without additional charge.

3.1.5 The Ticket is and remains at all times the property of the issuing Carrier.

3.1.6 Except in the case of an Electronic Ticket, you are not entitled to be carried on a flight unless you present a valid Ticket containing the Flight Coupon for that flight and all other unused Flight Coupons and the Passenger Coupon. In addition, you are not entitled to be carried if the Ticket presented is mutilated or if it has been altered by anyone other than by us or our Authorised Agent. In the case of an Electronic Ticket, you are not entitled to be carried on a flight unless you provide positive identification, and a valid Electronic Ticket has been duly issued in your name.

3.1.7(a) If a Ticket (or part of it) is lost or mutilated as described in Article 3.1.3 above, if we have issued the said Ticket, we will, upon your request, replace such Ticket (or part of it) by issuing a new Ticket, provided there is evidence, readily ascertainable at the time, that a Ticket valid for the flight(s) in question was duly issued. You will be liable to pay us for any costs and losses, up to the value of the original Ticket, that are necessarily and reasonably incurred by us or another Carrier for misuse of the original Ticket. We will not claim payment from you for any such losses resulting from our own negligence. We will, however, charge an administration fee for this service, unless the loss or mutilation was due to negligence caused by us or one of our Authorised Agents.

3.1.7(b) In case of loss or mutilation of a Ticket that is fully refundable, we may require you to pay the full Ticket price for a new Ticket, subject to refund if and when we are satisfied that the lost or mutilated Ticket has not been used before its validity expires. If you find the original Ticket before its validity period runs out and give it to us, we will give you a refund.

3.1.8 A Ticket is valuable and you should take appropriate measures to safeguard it and ensure it is not lost or stolen.

3.2 Period of Validity

3.2.1 Except as otherwise provided in the Ticket, in these Conditions of Carriage, or in applicable Tariffs, (which may limit the validity of a Ticket, in which case the limitation will be shown in the Ticket), a Ticket is valid for:

- (a) one year from the date of issue; or
- (b) one year from the date you first travelled using the ticket, provided your first flight took place within a year of the Ticket being issued.

3.2.2 If after having begun your journey, you are prevented from travelling within the period of validity of the Ticket due to illness, we may extend the period of validity of your Ticket until the date when you become fit to travel or until our first flight on which space is available in the class of service for which the fare has been paid after such date, from the point where the journey is resumed. Your illness must be attested by a medical certificate. If the Flight Coupons remaining in the Ticket, or in the case of an Electronic Ticket, the Electronic Coupon, involve one or more Stopovers, the validity of your Ticket may be extended for not more than three months from the date shown on the certificate. If you are holding a special fare Ticket, the time limit for extension is a maximum of 7 days, unless prohibited according to the rules applying to the fare paid. In such circumstances, we will similarly extend the validity period of Tickets of other members of your Immediate Family accompanying you.

3.2.3 If a Passenger dies en route, the Tickets of the people accompanying the Passenger may be modified by waiving the minimum stay or extending the validity. In the event of a death in the Immediate Family of a Passenger who has begun a journey, the validity of the Passenger's Tickets and those of his or her Immediate Family who are accompanying the Passenger may likewise be modified. Any such modification will be made on receipt of a valid death certificate and any such

extension of validity will be for a period not longer than forty-five (45) days after the date of death.

3.3 Coupon Sequence and Use

3.3.1 The Ticket you have purchased is valid only for the transportation as shown on the Ticket, from the place of departure via any Agreed Stopping Places to the final destination. The fare you have paid is based on our Tariff and is for the transportation as shown in the Ticket. It forms an essential part of our contract with you. The Ticket will not be honoured and will lose its validity if all the Coupons are not used in the sequence provided in the Ticket.

3.3.2 If you wish to change any aspect of your transportation, you must contact us in advance. The fare for your new transportation will be calculated and you will be given the option of accepting the new price or maintaining your original transportation as ticketed. If you need to change any aspect of your transportation due to Force Majeure, you must contact us as soon as practicable and we will make reasonable efforts to transport you to your next Stopover or final destination, without recalculating the fare.

3.3.3 If you change your transportation without our agreement, we will assess the correct price for your actual travel. You will have to pay any difference between the price you have paid and the total price applicable for your revised transportation. We will refund you the difference if the new price is lower but otherwise, your unused Coupons will have no value.

3.3.4 Please be aware that while some types of changes will not result in a change of fare, others, such as changing the place of departure (for example if you do not fly the first segment) or reversing the direction of travel, can result in an increase in price. Many fares are valid only on the dates and for the flights shown on the Ticket and changes may not be allowed at all, or only on payment of an additional fee.

3.3.5 Each Flight Coupon contained in your Ticket will be accepted for transportation in the class of service on the date and flight for which space has been reserved. When a Ticket is originally issued without a reservation being specified, space may be later reserved subject to our Tariff and the availability of space on the flight requested.

3.3.6 Please be advised that if you do not show up for any flight without advising us in advance, we may cancel your return or onward reservations. However, if you do advise us in advance, we will not cancel your subsequent flight reservations, however Article 3.3.4 will apply in this case.

3.3.7 Please be advised that in order to reduce overbooking, we will cancel one or more of your bookings if you have made more bookings to a destination than you have purchased Tickets to the said destination.

3.4 Name and Address of Carrier

Our name may be abbreviated to our Airline Designator Code, or otherwise, in the Ticket. Our address will be deemed to be the airport of departure shown opposite the first abbreviation of our name in the "carrier" box in the Ticket, or in the case of an Electronic Ticket, as indicated for our first flight segment in the Itinerary/Receipt.

ARTICLE 4: FARES, TAXES, FEES AND CHARGES

4.1 Fares

Fares apply only for carriage from the airport at the point of origin to the airport at the point of destination, unless otherwise expressly stated. Fares do not include ground transport services between airports and between airports and town terminals unless otherwise expressly stated. Unless otherwise agreed, your fare will be calculated in accordance with our Tariff in effect on the date you reserve your Ticket for travel on the specific dates and itinerary shown on it. Cimber holds the right to change the price at any time.

4.2 Taxes, Fees and Charges

4.2.1 You must pay applicable taxes, fees and charges imposed by governments or other authorities, or by the operator of an airport. The taxes, fees and charges imposed on air travel are constantly changing and can be imposed after the date on which we have issued your Ticket. If there is an increase in a tax, fee or charge shown on the Ticket, you will be obliged to pay it. Likewise, if a new tax, fee or charge is imposed even after your Ticket has been issued, you will be obliged to pay it. Similarly, if any taxes, fees or charges which you have paid to us at the time of Ticket issuance are abolished or reduced such that they no longer apply to you, or a lesser amount is due, you will be entitled to claim a refund from us. We will attempt to contact you through our various communication channels (e.g. on our web site www.cimber.dk), if you are entitled to a refund that equals or exceeds the amount of 20 SDRs.

4.2.2 If you cancel a non-refundable Ticket and are entitled to a refund of taxes, fees and charges, the refund will be subject to the deduction of an administration fee.

4.3 Currency

Fares, taxes, fees and charges are payable in the currency of the country in which the Ticket is issued, unless another currency is indicated by us or our Authorised Agent, at or before the time payment is made (for example, because of the non-convertibility of the local currency). We may, at our discretion, accept payment in another currency.

ARTICLE 5: RESERVATIONS

5.1 Reservation Requirements

5.1.1 We, or our Authorised Agents will record your reservation(s). Upon request, we will provide you with written confirmation of your reservation(s).

5.1.2 Certain fares have conditions that limit or exclude your right to change or cancel reservations or to request a refund.

5.2 Ticketing Time Limits

If you have not paid for the Ticket before the specified ticketing time limit, as advised by us or our Authorised Agents, we may cancel your reservation.

5.3 Personal data

You recognise that personal data has been given to us for the purposes of: making a reservation, purchasing a Ticket, contacting you regarding automatic check-in and other information about your flight, obtaining ancillary services such as, for instance, hotel reservations and car rental, developing and providing services such as, for instance, special facilities for people with reduced mobility, special meals and the fulfilment of other special wishes our passengers may have, facilitating immigration and entry procedures, and making available such data to government agencies, in connection with your travel. For these purposes, you authorise us to retain and use such data and to transmit it to our own offices, Authorised Agents, government agencies, other carriers or the providers of the above-mentioned services. Your personal data will not be used for marketing activities without your prior permission.

5.4 Seating

We will endeavour to honour advance seating requests, however, we cannot guarantee any particular seat. We reserve the right to assign or reassign seats at any time, even after boarding of the aircraft. This may be necessary for operational, safety or security reasons.

5.5 Reconfirmation of Reservations

5.5.1 Onward or return reservations may be subject to the requirement to reconfirm the reservations within specified time limits. We will advise you when we require reconfirmation, and explain how and where it should be done. If reconfirmation is required and you fail to comply, we may cancel your onward or return reservations. However, if you advise us you still wish to travel, and there is space on the flight, we will reinstate your reservations and transport you. If there is no space on the

flight, we will use reasonable efforts to transport you to your next or final destination.

5.5.2 You should check the reconfirmation requirements of any other Carriers involved in your journey with them. Where it is required, you must reconfirm with the Carrier whose code appears in the Ticket for the flight in question.

ARTICLE 6: CHECK-IN AND BOARDING

6.1 General

6.1.1 Check-in Deadlines may vary from airport to airport and you must inform yourself about these Check-in Deadlines and honour them. You must allow yourself plenty of time to comply with the Check-in Deadlines. We reserve the right to cancel your reservation if you do not comply with the Check-in Deadlines indicated. You must have completed the check-in process no later than at the Check-in Deadlines indicated.

6.1.2 We or our Authorised Agents will advise you of the Check-in Deadline for your first flight with us. For any subsequent flights in your journey, you should inform yourself of the Check-in Deadlines. Check-in Deadlines for our flights may be obtained from us or our Authorised Agents.

6.1.3 You must be present at the boarding gate not later than the time specified by us or our Authorised Agents when you check-in.

6.1.4 We may cancel the space reserved for you if you fail to arrive at the boarding gate in time.

6.1.5 We will not be liable to you for any loss or expense incurred due to your failure to comply with the provisions of this Article unless we have been negligent.

ARTICLE 7: REFUSAL AND LIMITATION OF CARRIAGE

7.1 Right to Refuse Carriage

If another Carrier is operating your flight, other conditions may apply. Information regarding these conditions is available from the operating Carrier upon request. If requested, we will help you in obtaining these conditions.

9.5.1 In order to accommodate as many Passengers as possible, and based on the experience that a number of travellers will not show up for the flight on which they hold a reservation, we may confirm space above the capacity of the aircraft (also referred to as "overbooking"). We and most other airlines operate compensation schemes for Passengers with confirmed reservations who are unjustifiably denied boarding or downgraded because of the non-availability of seats. We make every effort to provide seats for which confirmed reservations have been made. When selecting Passengers for rebooking or downgrading, we will first appeal for volunteers who are prepared to stand down from their reservation, subject to any security and/or operational constraints at the airport concerned.

ARTICLE 15: LIABILITY

15.1 General

The liability of each Carrier involved in your journey will be determined by the carrier's own Conditions of Carriage. If we issue a Ticket or if we check Baggage for Carriage on another Carrier, we do so only as an agent for the other Carrier, and we carry no liability for this Carriage. Our liability provisions are as follows:

15.1.1 Unless otherwise stated herein, Carriage hereunder is subject to the provisions relating to the liability established by the Convention, even where such Carriage is not international Carriage to which the mandatory rules of the Convention apply.

15.1.2(a) Any liability we have for Damage will be reduced by any negligence on your part that causes or contributes to the Damage in accordance with applicable law.

15.1.2(b) We are liable only for Damage occurring during Carriage on flights or flight segments where our Airline Designator Code appears in the carrier box of the Ticket for that flight or flight segment and/or the flight or flight segment is operated by us. If another Carrier is operating the flight, you have the right to address a complaint or to make a claim for damages against either us or the other Carrier. With respect to Checked Baggage, you may make a claim against the first or last Carrier.

15.1.2(c) We are not liable for any Damage arising from our compliance with applicable laws or Government rules and regulations, or from your failure to comply with them.

15.1.2(d) We are liable to you only for recoverable compensatory Damages for proven losses and costs in accordance with the Convention.

15.1.2(e) We are not responsible for any illness, injury or disability, including death, attributable to your age, mental or physical condition or for the aggravation of such condition.

15.1.2(f) Our liability is subject to your provision of relevant documentation, including where applicable documented proof of purchase, including date and price of purchase. In case of liability for Baggage, depreciation will be deducted.

15.1.2(g) The contract of carriage, including these Conditions of Carriage and exclusions or limits of liability, applies to our Authorised Agents, servants, employees and representatives to the same extent as they apply to us. The total amount recoverable from us and from such Authorised Agents, servants, employees and representatives must not exceed the amount of our own liability, if any.

15.1.2(h) Nothing in these Conditions of Carriage gives up any exclusion or limitation of our liability under the Convention or applicable laws unless otherwise expressly stated.

15.2 Baggage

15.2.1 We are not liable for Damage to Unchecked Baggage unless such Damage is caused by our negligence.

15.2.2 Except in the case of an act or omission done with intent to cause Damage or recklessly and with knowledge that Damage would probably result, our liability in the case of Damage to Baggage will be limited to 1000 SDRs per passenger.

15.2.3 If the value of your Checked Baggage is greater than our maximum liability you should inform us at check in or ensure that the Checked Baggage is fully insured before travelling.

15.2.4 Unless we have been negligent, we are not liable for any Damage caused by your Baggage, and you will be responsible for any Damage caused by your Baggage to other people or property, including our property.

15.2.5 We are not liable in any way whatever for Damage to articles not permitted to be contained in Checked Baggage under Article 8.3, including fragile or perishable items, items having a special value, such as but not limited to: money, keys, prescribed medicines, glasses/sunglasses, bottles, cameras, jewellery, precious metals, computers, personal electronic devices, mobile telephones, musical instruments, negotiable papers, securities, or other valuables, business documents, passports and other identification documents, or samples.

15.3.1 Except as mentioned in Article 15.3.2, our liability in case of death or injury of Passengers will not be subject to any financial limit, be it defined by law, the Convention or otherwise.

15.3.2 In case of death or injury of Passengers, we will not be liable for Damages in excess of 100,000 SDRs per Passenger where we can prove that the Damage was not due to the negligence or other wrongful act or omission of us or our servants or agents; or such Damage was due solely to the negligence or other wrongful act or omission of a third party.

15.3.3 Articles 15.3.1 and 15.3.2 above do not apply in respect of claims made by public social insurance or similar bodies however asserted. We will compensate you or your dependants for recoverable compensatory Damages in excess of payments received from any public social insurance or similar body.

15.3.4 Nothing herein will be deemed to affect our rights with regards to any claim brought by, on behalf of, or in respect of any person who has wilfully caused Damage that resulted in your death, wounding or other bodily injury.

15.3.5 Except as otherwise provided in Articles 15.3.1 and 15.3.2 above, we reserve all defences available under the Convention or any other applicable law with respect to claims regarding death and injury to passengers. With respect to third parties, we also reserve all rights of recourse against any other person, including without limitation, rights of contribution and indemnity.

15.3.6 We will without delay, and in any event not later than fifteen (15) days after the identity of the natural person entitled to compensation has been established, make such advance payments as may be required to meet immediate economic needs on a basis proportional to the hardship suffered.

Without prejudice to the above, an advance payment will not be less than the equivalent in EURO of 16,000 SDRs per passenger in the event of death.

An advance payment will not constitute recognition of liability and may be offset against any subsequent sums paid on the basis of our liability, but is not returnable, except:

(i) in cases where we prove that the Damage was caused by, or contributed to by the negligence of the injured or deceased Passenger, or (ii) in circumstances where it is subsequently proved that the person who received the advance payment caused, or contributed to the Damage by negligence or was not the person entitled to compensation.

15.3.7 We have at any time sufficient liability insurance (Passenger/third party) to meet any lawful requirement.

15.4 Delay

15.4.1 If we have caused a delay for you and/or your Checked Baggage in the Carriage by air, we will be liable only for Damage occasioned by the delay, if we and our servants and agents (such as for instance contracted caterers and ground handling agents) have not taken all measures that could reasonably be required to avoid the Damage. If it was impossible for us or our servants and agents to take such measures, we will not be liable for Damage caused by delay. If we are liable for Damage caused by delay, our liability for such Damage is limited as follows:

15.4.1.1 For Damage caused by delay in the Carriage of Passengers, our liability is limited to 4150 SDRs for each Passenger.

The method of calculating the period of limitation will be determined by the law of the court where the case is heard.
